RCCG Redemption Camp, Ogun State, 110115

SUMMARY

I am a highly motivated Front-end developer often praised for the ability to adapt well and pay attention to detail. I build with HTML, CSS, React.js, NextJs, JavaScript, and various web development technologies. I also have experience working with Figma, Firebase including WordPress. I excel in debugging, testing, and keeping up with the latest technologies. Currently, I am seeking a frontend developer position to leverage my expertise and contribute to impactful projects.
